Purchasing Specialist

ENVIRONMENTAL CONSIDERATIONS

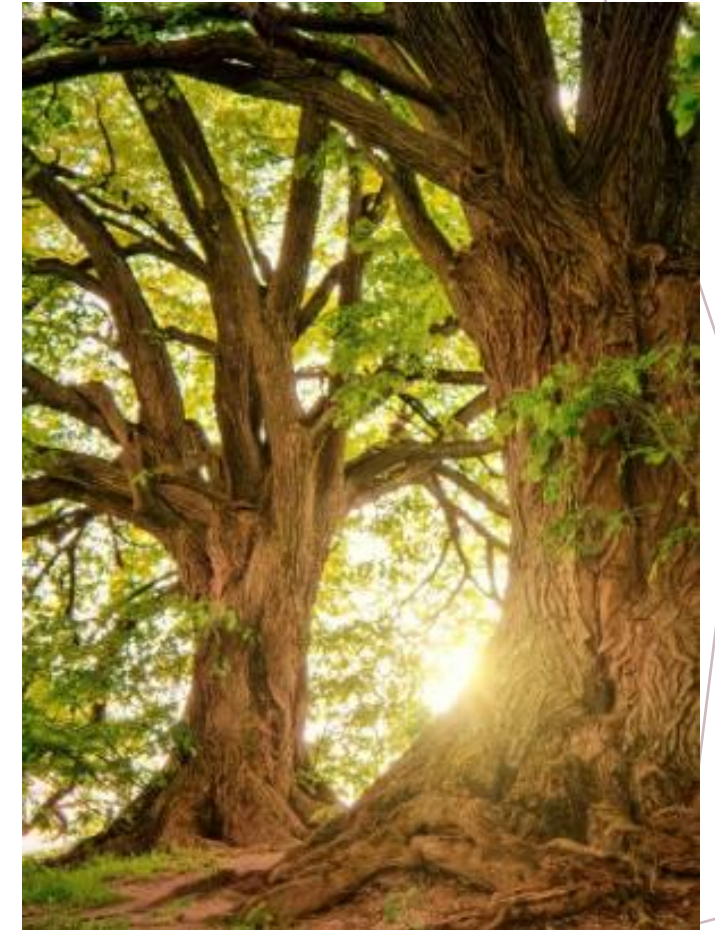

- ❑ Long history of responsible operation
- ❑ Existing effective EHS policies and practices implemented for expansions
- ❑ ESH committee meets regularly to develop, implement and track EHS initiatives
- ❑ Bronze rating from Ecovadis, leading globally-recognized business sustainability assessment platform

www.innophos.com/who-we-are/about-us/social-impact

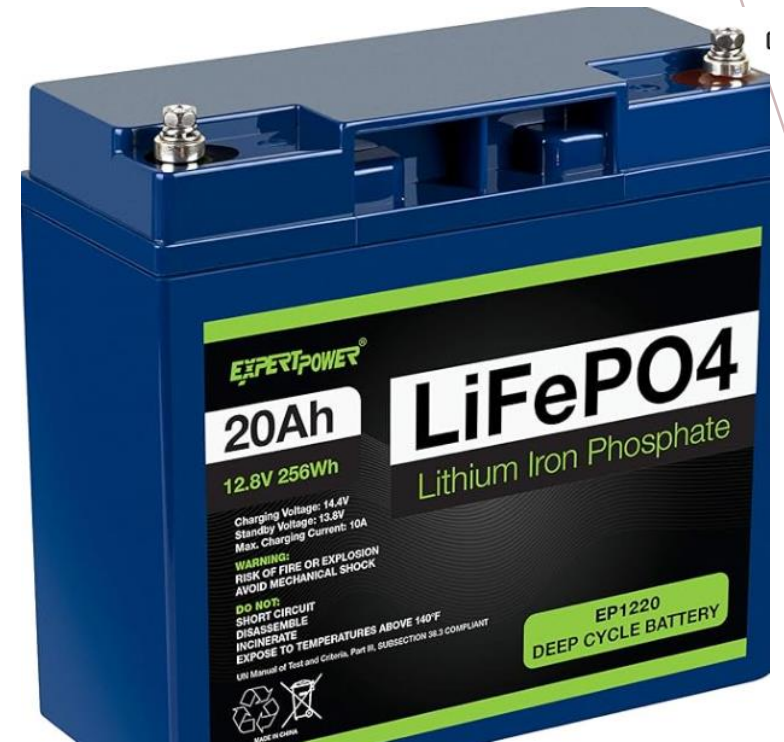

EHS & SUSTAINABILITY VISION STATEMENT

- ✓ Protection of the natural environment by minimizing pollution and preventing spills and other incidents
- ✓ Valuing biodiversity and actively contributing to the preservation thereof by assessing and monitoring our impact on protected areas within our vicinity
- ✓ Operating our facilities in accordance with all applicable laws, rules and regulations
- ✓ Engaging with the community to achieve greater understanding, improve performance and promote the safe and sustainable consumption of our projects.
- ✓ Requiring our suppliers to conduct their respective operations in accordance with all applicable laws, rules and regulations
- ✓ Striving for an injury-free workplace through a strong health and safety program supported by high employee engagement and training program
- ✓ Targeting reduction of energy use, water consumption and greenhouse gas emissions by our operations while minimizing waste

DEPARTMENT OF ENERGY GRANT

- **Objective:** Domestic supply chain for renewable technology components & materials
- **Funding Sought:** \$200M for manufacturing expansion
- **Proposed Project Overview:** Expand facilities – precursors for EV and Energy Storage Batteries
- **Community Benefits Plan (CBP):**
 - Community Outreach and Engagement
 - Quality Jobs & Career Opportunities
 - Reduce Pollution and Climate Change
 - Job Training Opportunities / Internships
 - Other benefits such as access to low-cost capital
 - Support local organizations
 - Seeking community input for more benefits
 - More to cover after the break

10-MINUTE BREAK

COMMUNITY BENEFITS PLANNING

Proposed Community Benefits:

- Continued community outreach and engagement
- Job opportunities through openings locally
- Subcontractor opportunities
- Workforce related support to nonprofits
- Internships through educational partners
- Scholarships through educational partners
- Revolving loan fund for low-cost access to capital
- Long-term support of local organizations
